

# Florida Weather Impacts Worksheet

Name: \_\_\_\_\_

Date: \_\_\_\_\_

## Directions:

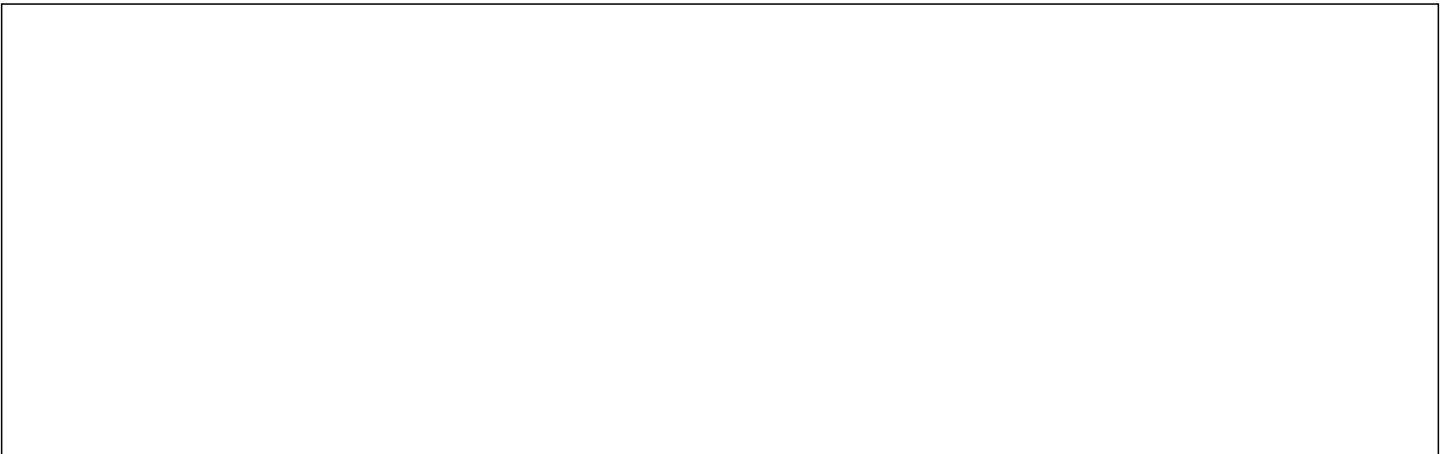

Florida has many types of weather. Choose one of the weather types below. Then:

1. Draw a picture of how this weather affects people, animals, or the land in Florida.
2. Write 2-3 sentences to explain what your picture shows and how this weather impacts life in Florida.

## Choose one:

Mild Climate   Thunderstorms   Hurricanes   Drought

## My Drawing:

## My Explanation:
